Theology Talk (an option for the final project)

Those taking the course for credit can either do a paper (1-2 pages) as described in the syllabus or the Theology Talk. The Theology Talk involves you reviewing the attached Theology Talk document and then discussing it with someone else. I would encourage both parties to have a copy of the doc and then you both work through it together. I would anticipate it taking 30 minutes. After completion, just text or email me to let me know what you did and with whom you completed it.

Hope it can be a positive experience! Appreciate you completing the class online!
